

## ALATEEN OUTREACH TO HIGH SCHOOLS

### SEPTEMBER 2025

We are getting ready to visit another 16 east valley high schools in September. We give a bag of literature to the school counselors and have a table where we give literature and flyers during lunchtime to the high school students. Any Al-Anon member who is available to help at can volunteer to help us lunchtime [generally 10:00-1:15 depending on the school]. In 2022, 30% of Arizona high school students said they lived with active drinking in the home.

## Help us spread the word of HOPE.

If you have questions about where a school is or what the lunch times are for a particular school, please email me.

Truly I have never heard a volunteer who regretted helping at the high schools. The students are amazingly respectful and grateful. It will fill your heart.

You can email to volunteer or get more information about our high school alateen outreach by emailing:

At each school we give on average about \$180 of literature. If groups want to contribute funds for high school Alateen literature events: email Ann at [peaceinthepark@myyahoo.com](mailto:peaceinthepark@myyahoo.com) .
